Henderson Brothers

Printing and Bookbinding

279 Garry St. Winnipeg

WEATHER REPORT: Rain, followed by Clearing Weather and Sunshine

FROM A STUDY IN EXPRESSION

People have learned a whole lot about printing and good taste and art. As they have learned more they require more. The people are yearly more appreciative of the artistic and of the appearance of things. There are more men in business now than ever before, but there are fewer than ever who do not see the force of reason in attractive, interesting and convincing printed matter.
